ui GUI-ClickerIdLogin

A screenshot of a Java Swing window titled "GUI-ClickerIdLogin". The window has a standard title bar with a close button. Inside, there is a label "Clicker-ID:" followed by a text input field. Below the input field, there is a "Login" button.

ui GUI- QuizLoesen

A screenshot of a Java Swing window titled "GUI-QuizLoesen". The window has a standard title bar with a close button. Inside, there is a label "MultiplChoiceFrage: Was bedeutet OOP?" followed by a horizontal line. Below the line, there are five radio button options:

- Optional Operation Persue
- Opendix Operational Product
- Objekt Orentierte Progammmierung
- Orentierete Ober Programmierung
- Objekt Optionales Produkt

At the bottom right of the window, there is a "Next" button.
